

### Cork Mouse Mat

Since 2003, “Raybone” started to produce cork products and developed to a large-scale cork manufacturer and supplier in China. We have produced and exported Cork Mouse Mat about 20 years. As one of our main products, Cork Mouse Mat, has competitive price advantage and cover most of the European and American markets in glass industry. We are looking for agents/distributors all over the world and hope for the mutual benefits from the long-term cooperation.

#### Product Description

China Quality “Raybone” Cork Mouse Mat Is Lightweight, Durable and Made From 100% Natural Cork. “Raybone” Cork Mouse Mat Can Be Used on Both Sides, Has A Delicate Side, Is Very Smooth, And the Small Grain Structure Ensures Precise Positioning and Smooth Mouse Movement. Due To the Large Particle Structure, The Other Side of the “Raybone” Cork Mouse Mat Is Slightly Rough, Which Can Well Prevent the Cork Mouse Pad from Sliding on The Desktop
